# What will Private Kindergarten look like at CDCW?

\*Private Kindergarten will follow HCPS's calendar, teaching from the Kindergarten curriculum the same days as HCPS. When HCPS is closed, we will be open to provide child care, but we might not be teaching the Kindergarten curriculum those days.

\*We have collaborated with local Kindergarten teachers to ensure that we provide the best possible curriculum for our children and to ensure that we are meeting the county's expectations. Curriculums include Handwriting Without Tears, Jan Richardson's Guided Literacy Program, Number Talks, PALS assessment, SOL-based, and more.
