

Week 1: June 21 - June 25: Jurassic Quest

Let's travel back in time to when dinosaurs ruled the Earth! Campers will become paleontologists this week to learn, explore and investigate these prehistoric giants.

Week 2: June 28 - July 2: History Mysteries

Campers will learn about some of the world's greatest mysteries throughout history! How did the pyramids get built in Egypt? Was there a great civilization known as Atlantis? Is there a real creature in Loch Ness? We will explore these mysteries and more!

Week 3: July 6 - July 9: Buggin' Out in the Garden

Let's explore the world of insects in our very own CDCW garden! Campers can get their hands dirty digging in the garden, learning about a variety of insects, and help build a new habitat for our garden friends.

\*CDCW will be closed on Monday, July 5th in observance of Independence Day\*

Week 4: July 12 - July 16: A Storybook Summer

Each day will be filled with fun and engaging activities focused around a different genre! We will explore books in a brand new way by focusing on mystery, fantasy, science fiction, poetry and fairytales. We will also gather inspiration for our annual Pinewood Derby this week!

Week 5: July 19 - July 23: Escape from the Avenues

Can your group solve the clues to escape? Each day campers will experience a different themed escape room in the Avenues! Daily activities will be structured around teamwork, problem-solving, and abstract thinking.

Week 6: July 26 - July 30: Enter the World of Minecraft

Experience Minecraft Avenues-style! Villagers will spend the week building and creating through science, art, pixel photography and more. There will be daily challenges to defeat the Ender dragon while trying to avoid the lava pits and creepers!

Week 7: August 2 - August 6: COLOR WAR

Team Red vs. Team Blue! Active team challenges fill the week with competition, friendship, and fun. volleyball, group physical challenges, swimming, skits and cheers all add to the excitement and spirit of Color War!

Week 8: August 9 - August 13: Space is the Place

3-2-1 Blast Off! Travel with us through the Milky Way as we explore the wonders of the universe. Campers will get to experience space through art, science, games, photography and more! Jedi training not required.

Week 9: August 16 - August 20: Avenues Shark Tank

Teams will work together to design and build a new invention for their company. They will create a business plan, logo, print advertisements, and a commercial for their new invention. The Sharks will be waiting to hear all about it...will they bite?

Week 10: August 23- August 27: Treasure Hunters

"X" marks the spot as we search for treasure this week! Our treasure hunters will learn about Blackbeard's buried treasure, the famous sunken treasure on the Atocha, and will even get to mine for gold. They will learn about geocaching and search for their own hidden treasures.

Week 11: August 30-September 3: Makers Gonna Make

Let's end the summer by crafting some fun projects! Campers will get to tie-dye, paint, decoupage, papier-mache and lots more. We will unleash the crafter within as we say goodbye to summer!

\*CDCW will be closed on Friday, September 4th\*

Avenues Specialty Camps

We are excited to offer two specialty camps this summer! These camps are only being offered to specific age groups. Specialty camp times will vary. Campers will be with their regular groups before and after these camps.

In addition to the weekly tuition, there is an additional fee for each camp.  
Space is limited!

.....  
ART CAMP: July 19-July 30

This is a two week camp. The campers will experience the Art room like never before! Projects include using the pottery wheel and sewing machine, creating Artist Trading Cards, and creating masterpieces using a variety of mixed media! The campers will also get to create individual projects based on their own interests and everyone will enjoy bringing home their masterpieces to share!

Additional Fee: \$125

Ages: Rising 3rd-6th

Time: 8:30 a.m. - 1:00 p.m.

.....  
FARM TO TABLE CAMP: July 12-July 16

Join us for an exciting week of learning and exploring the various ways of growing, cultivating, and preparing the food that we eat each day. Campers will take a hands-on approach to preparing and cooking their own food from gardens and farms.

Field trips will be included.

Additional Fee: \$75

Ages: Rising 3rd-6th

Time: 9 a.m. - 2 p.m.
